Content: On yesterday wheeler tells family and attorneys that BCSO will not be pursuing charges, because it is too hard to prove. Family devastated. They don't understand. I told family to contact Alan Morrison this morning, to get clarification. They do, and their words are "He didn't help, wouldn't talk, wouldn't answer any questions." they called me again, and are wanting to go to main stream media. They called me back a little while ago, and said [REDACTED] dad was texting [REDACTED] but there is a no contact order in place. I advised to call TPD since she works in Titusville, I've been told BCSO is there with her now at [REDACTED]
